Great class!

Dr. Murdie was an amazing professor & subject matter expert in the field. Her selection of current articles for study and topics relating to Terrorism made the course applicable to my future & interesting as well.

It was awesome! Lots of great info and lots of great energy.

Loved the incorporation of videos in the class.

Great professor and makes concepts fun and easy to understand, will always help you.

Dr. Murdie is an amazing teacher and very knowledgeable about her expanding subject area. For summer classes, I would recommend assigning a shorter paper w/less sources and keeping people accountable to the time limit of presentations.

Great course! Very enjoyable & informative.

Great Professor
