## COURSE EVALUATION

SEMESTER	FALL 2017	PROFESSOR	AMANDA MURDIE
COURSE	INTL 3200	CALL NUMBER	30700
# OF STUDENTS	18	COURSE ID #	14

I loved everything about this class! I had this at 8 AM, yet it remained my favorite class all semester. I learned so much. Professor Murdie is a rock star!

- The amount of assigned readings is certainly intense, but worth learning entirely.
- The professor is extremely knowledgeable, diligent, and objective. An overall excellent professor!
- She expects students to work-hard, and encourages them to learn, like all professors ought to.

Overall very good, liked the posted slides.

I like her! Best teacher ever! ☺

The textbook did not help very much, but everything else about the course was fine and well.

This course was very informative and interesting.

Dr. Murdie is very composed, passionate & knowledgeable about IA. She takes students' needs into consideration & peaks our interest in the class.

Lectures are kind of dry and sometimes hard to understand, but prof. goes above and beyond to help us succeed through access outside of class.

Course was straightforward.

- Course was perfect.
- I wish the grades were more evenly spread out and that we had a few more grades.

Dr. Murdie was an excellent lecturer, and my favorite professor this term.

Prof. ignited my interest in (IR) Thank you
